

Locations:

San Jose	California Sports Center - Race Street Facility
San Jose	California Sports Center - Great Oaks Facility
Fremont	Bay Aerials Gymnastics
Pleasanton	West Coast Olympic Gymnastics Academy

The Sensation Nation Gymnastics Groups offer unique opportunities to children with special needs. The sessions are filled with all the sensory and motor fun your child can handle, as well as the social benefits of working and playing amongst their peers. **Coming soon, aquatic groups.**

Each child must have an individual assessment to be considered for a group.

Activities are structured to teach sports-related skill development and the fundamentals of motor skills development:

- ✦ Bilateral coordination
- ✦ Body awareness
- ✦ Speed and agility
- ✦ Hand-eye coordination
- ✦ Balance

Children work and play in small groups appropriate for their age and social development to maximize their positive experiences during group games, cooperative play and teamwork.

Gymnastics Groups For Children With Special Needs

Weekly Rates:

\$45 per session
billed on monthly
basis
